

Women’s Health and Cancer Rights Act General Notice-AT ENROLLMENT

As required by the *Women’s Health and Cancer Rights Act of 1998*, benefits are provided for mastectomy, including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). If you are receiving benefits in connection with a mastectomy, benefits are also provided for the following covered health services, as you determine appropriate with your attending physician:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and treatment of physical complications of the mastectomy, including lymphedema.

The amount you must pay for such covered health services (including copayments, coinsurance and any annual deductible) and the benefit coverage limitations are the same as are required for any other covered health service as described in your SPD.
